April 5, 2019

Dear Parents and Students of the Almont Community Schools,

This winter resulted in an above average number of cancelled school days (twelve days). Even with the flexibility provided in state law (six days) and a waiver from the state for three additional days, we have exceeded that amount and will need to make up two days, assuming we have no more weather related cancellations this year.

Section 101 of the State School Aid Act (MCL 388.1701) requires schools meet both a minimum of 1,098 hours of instructional time as well as a minimum of 180 days to receive state funding. To help meet these requirements, we are holding school on Monday, April 22, 2019 (the Monday after Easter).

In order to make up our final missed day, we will also need to attend school on June 12, 2019. The revised calendar for late May and June is provided below.

Sincerely,

William F. Kalmar, PhD
