

FREE FULL DAY PRESCHOOL

The Great Start Readiness program is an amazing opportunity for students who qualify. If your child is 4 by Sept. 1, 2021, meets income criteria, and follows state guidelines, he or she could enjoy a free full day program! Second priority for enrollment will go to ages 4 between Sept. 2 and Dec. 2, 2021. The GSRP program welcomes all qualifying children no matter what school district you reside in.

The program utilizes an exemplary curriculum emphasizing social-emotional development, cognitive development, language development, and fine and gross motor skill development. Home visits, parent-teacher conferences, early childhood education for parents, and field trips are a few of the key features. The preschoolers also will receive free breakfast, lunch, and snack each day. Some memorable activities the students will enjoy are field trips to Blake's Orchard and Cider Mill, The Children's Museum, and Upland Hills Farm. Students will participate in science experiments, creating art projects, experiencing discovery centers, writing in their own journals, learning letters in small group lessons, and much more!

The preschool runs Monday-Thursday from 8:45-3:25 with a 6:1 student-teacher ratio. The staff is caring, experienced, and highly qualified. The Almont GSRP program has outstanding Program Quality Assessment scores. Please take a look at the income eligibility link to see if your child qualifies. Our love for children makes us a great choice for your preschooler, and it would be an honor to be a part of your child's first school experience! If you have any questions, please call Star at (248)736-1550.
