## **OBJECTIVES**

The staff at Almont Kids Club believe that children have the right to a safe and caring environment and are entitled to a pleasant and harmonious atmosphere. The safety and wellbeing of your child/children is our first concern. Qualified professionals who have experience and training in child development and meet licensing requirement of the Bureau Regulatory Services will staff the program.

We will:

- Encourage personal responsibility and development
- Provide a variety of offerings that may develop:
  1. Physical exercise
  2. Leadership
  3. Creativity
  4. Social interaction
- Provide Free time for relaxation and socialization
- Work to develop a positive relationship with children and parents

## **CHILDREN'S CONDUCT**

1. Children must remain in the Kids Club area. Leaving without permission could result in dismissal.
2. Children must respect the rights and property of others.
3. Children are to act courteously, appropriately, be cooperative, and follow the instructions and request of the Kids Club Staff.
4. Children must follow building rules and adhere to school wide guidelines outlined in the Almont COmmunity school's student-parent handbook; i.e. student use of personal cell phones and/or electronics is not permitted during Kids Club, students must adhere to the schools dress code policy.
5. Appropriate and acceptable language is expected.
6. Rules are made and enforced for the safety of everyone. Failure to follow them can result in dismissal.
7. Please review these rules and the rules of Almont Community School Student-Parent Handbook to ensure you and your child know what is expected.

## **DISCIPLINE**

Children are entitled to a pleasant and caring atmosphere. Kids Club has set defined expectations for the kind of behavior that is acceptable, with the safety and wellbeing of the children as our primary concern. The staff will only use methods of discipline that will encourage and develop self-control, self-discipline, self-esteem, and cooperation. We comply with the Family Independent Agency Licensing Regulations and expect behavior in accordance with the Almont Community Schools code of conduct. Most “situations” are handled with a warning or brief time out. If there are any outstanding concerns, a parent may be notified and/or called in for a conference. A privilege may be removed such as gym time or i-pad time. If a child exhibits inappropriate behavior that cannot be handled through normal disciplinary action, a probationary period may be instituted. If at that time the staff feels that positive progress has not been made, then the parents may be asked to find other childcare arrangements. The staff will make every effort to work with all children but they do have the right to recommend removal from the program to the school administration if situations or behaviors warrant.

## **PARENT RESPONSIBILITY**
