

## FREE FULL DAY PRE-SCHOOL

The Great Start Readiness program is an amazing opportunity for students who qualify. If your child will be 4 by Sept. 1, 2019, meets income criteria, and follows state guidelines, he or she could enjoy a free full day program! Second priority for enrollment will go to ages 4 between Sept. 2 and Dec. 1, 2019. The GSRP program welcomes all qualifying children no matter what school district you live in. The program utilizes an exemplary curriculum emphasizing social-emotional development, cognitive development, language development, and fine and gross motor skills. Home visits, parent-teacher conferences, opportunities for child development education for parents, and field trips are a few of the key features. Some memorable activities the preschoolers will enjoy are field trips to Blake's Orchard and Cider Mill, The Children's Museum, and Upland Hills Farm. Also, students will participate in classroom activities like conducting science experiments, creating art projects, enjoying nature walks, experiencing discovery centers, writing in their own journals, and much more! The program runs Monday-Thursday from 8:30-3:25 with a 6:1 student-teacher ratio. The staff is caring, experienced, and highly qualified. The kids will also receive free breakfast, lunch, and an afternoon snack each day. The Almont GSRP program has outstanding Program Quality Assessment scores and maintains a high Great Start to Quality Star Rating. Please take a look at the income eligibility link to see if your child qualifies. Our love for children makes us a great choice for your preschooler, and it would be an honor to be a part of your child's first school experience! If you have any questions, please contact Ms. Star at (810) 673-9107 (school days through May), or (248) 736-1550 all other times.

Almont Preschool Programs are housed at Almont Middle School  
4624 Kidder Road, Almont MI, 48003
